SigTEL 224 Line Desk Controller
Part No. ECU-224

Overview

- A new 224 line Desk Controller for use with our SigTEL disabled refuge, fire telephone and stadium marshalling system.
- Allows operators to communicate with up to 224 disabled refuge or fire telephone outstations.
- Designed to simplify call-handling on larger EVC installations.
- Must be connected to an ECU-4, 8 or 16 master controller via an ECU-723 interface/network card.
- Although designed to be free-standing, an optional sloping wall mounting shelf is available (order code ECUWMB).
- See schematic/full instructions for further details.

More Information

Technical Specifications

Product dimensions (mm)	305 W x 100 H x 230 D mm.
Construction & finish	RAL 3000 (Red) desk controller with grey/black label.
